

Call for Expressions of Interest

Package: 628768-P-A2320-A Supply, Fabrication and Delivery of Mooring Equipment Frames

Preamble

SDP General Partnership is the Contractor for the Construction of Concrete Gravity Substructure (CGS) for the West White Rose Project (WWRP) in Newfoundland Canada. SDP is requesting interested parties to submit prequalification documents for the supply of steel, fabrication and delivery for the Mooring Equipment Frames.

Description of the Mooring Equipment Frames

The mooring equipment frames are 10 individual steel frames fabricated to support the mooring equipment during the mooring and float up of the Concrete Gravity Structure (CGS).

The each frame is approximately 4m x 6 m with weights ranging from 2.2 to 5.2 tonnes each. The total tonnage is approximately 43 tonnes. Material is W350 NT Steel and supply includes paint to project coating specifications.

Scope of Work

Supply of all materials and fabrication including blast and paint to project specifications.

Mandatory Requirements

Interested parties must demonstrate the following:

1. Approved CWB weld procedures and have a CWB certified fabrication facility.

Responses to this EOI posting will register individual companies with the Project. Companies who have previously registered or been pre-qualified on the CGS are asked to please respond to ensure inclusion on the Bidders List.

The West White Rose CGS is being constructed in a Graving Dock in Argentia, NL, Canada. SDP, G.P. is a partnership of AtkinsRéalis (formerly SNC-Lavalin), Dragados and Pennecon.

EOI Responses to be forwarded to procurement@sdpgp.ca and copy Jodie O'Neill (jodie.oneill@sdpgp.ca)

EOI Registration Deadline: COB November 4, 2024

Projected Award Date: COB December 16, 2024
